## GENERAL SITUATION

- ✦ **DIPLOMACY / STATEMENT:** The Head of the UNSMIL, Abdoulaye Bathily, met with the US State Secretary, Antony Blinken, in New York on 25/02. They discussed the situation in Libya, and Blinken affirmed that the US fully supports the Libyan people's choice in electing their own leaders and the overall changes made in Libya to proceed with elections soon. They both support efforts made by the UN to help facilitate elections.
- ✦ **DIPLOMACY / MEETING:** On 25/02, the Head of the HoR, Aguila Saleh, during an Arab Inter-Parliamentary Union conference held in Baghdad, declared that the HoR has had significant success in stopping civil violence in Libya, had issued the necessary laws for holding elections and carried out the constitutional amendment required to launch presidential and parliamentary elections as soon as possible. He added that the HoR is supporting the HNEC and efforts towards the National Reconciliation project to bring stability for everyone.
- ✦ **GNS / DECLARATION:** On 25/02, the Head of the HCS, Khaled Al-Mashri, declared that the 13th amendment safeguards the electoral process from any contestation at the constitutional level, supports a mixed parliamentarian and presidential system and gives guarantees for all parties from any part of the country. He added that the amendment was not the result of a short-term work, but rather long consultations with the HoR, and that any disruption to the path of constitutional reform would only benefit the GNU.
