- 1. During the period 4-6 July the Libyan Air Force Chief of Staff, accompanied by three Generals, paid a visit to the Italian Air Force Chief of Staff.*
- 2. The Libyan delegation visited the Italian Air Force Units and received briefings on topics of possible bilateral cooperation between the Italian and the Libyan Air Force with a specific reference to the field of flight training. The Libyan delegation focused its attention on the following topics:*
  - Training of Libyan Pilots and Technicians in Italy;*
  - Training of Libyan Pilots and Technicians in Libya in support of Misurata Air Force Academy;*
  - Support to repair 2 aircrafts C-130H.**It was agreed that, the implementation of the above-mentioned areas of cooperation is subject to the development of a Technical Arrangement. In order to make an assessment and to start an in-depth study of a comprehensive structured plan, it would be of paramount importance to receive as much information as possible on the topics identified.*
- 3. The Italian Air Force stands ready to investigate the details of possible support and cooperation. In renewing my personal esteem and underlining the friendship between our Air Forces, I would like to send you my best regards.*

*Brig. General Andrea DI PIETRO*  
*Aerospace Plans and Policy Department Chief*
